Manufacturer and exporter of pesticide drums, powder drums etc.

About Us

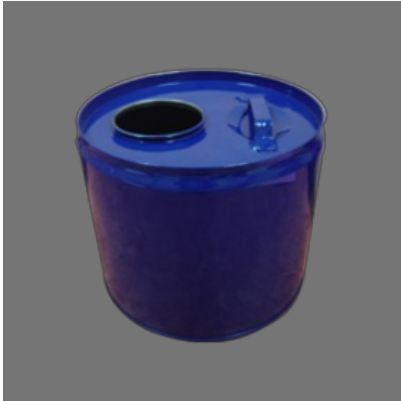

We are specialists in satisfying needs of customers in specific fields such as Food, Pesticides, aggressive chemicals, pharma products, essential oils and perfumeries, where, the requirements are of the highest quality as per global standards. We cater to the entire Spices industry in south India and also to the Essential oil and Eucalyptus oil industry. So is the case of pesticide industry. We have an impeccable record of supplying 100% leak proof drums to all these industries. We are also the most sought after for Export Quality drums. We have not only made Indian customers buy our drums instead of importing them. We have also made other countries buy our drums by exporting our drums, thereby saving and earning valuable foreign exchange. We also make drums coated with special chemical resistant paints to avoid peel off on contact with solvents.
