## About Us

SAPI provides youth and educators the opportunity to Study Abroad in India. We specialize in faculty led educational and service learning tours to India.

SAPI has worked with prestigious educational institutions like high schools, colleges and universities and we clearly understand the needs of students and travelers to India. We provide end-to-end services from tour design, university tie ups, accommodation, transportation, lab arrangements, guidance on locations and associating local Professors and Guides to provide in depth understanding on chosen subjects. You can travel, volunteer and study in India as a means to gain greater understanding of the world and yourself. Our programs include a lot of local activities and fun elements to make them interesting for you.
