

Sapphire Trading Company

<https://www.indiamart.com/sapphire-trading/>

We are a fastest growing and leading manufacturer, wholesaler, retailer, importer, exporter and trader of gold, silver, semi-precious and precious jewellery. Sheer originality and unique design earns us the clients from all around the globe.

About Us

The foundation of **Sapphire Trading** was laid in the year **1981** and since then the company has achieved a benchmark position in the manufacturing, wholesaling, retailing, importing, exporting and trading of gold, silver, semi-precious and precious jewellery. The range of products that we offer involves gold necklace, bangles, bracelets, silver earrings, silver ring, precious stones and drops, Gold Jewellery, Glass Beads, Fancy Handicraft, Precious & Semi Precious Cut stone, Silver Jewellery With Stone, Victorian Jewellery & Kundan Meena Jewellery. Elegance, uniqueness, style and a true blend of Indian art and culture is what makes us incomparable and inimitable from our competitors. The products are brushed with innovation and perfection and are designed by keeping the requirements of the customers in mind. Our products range from light weight pieces to intricate sets which are available in latest designs in silver and gold. The range is also studded with precious stones and gems. Our wide range is designed in traditional, ethnic as well as in contemporary look, depending on the choice of the customers. We deploy an experienced and dedicated team of designers. Our employees are highly inventive, creative and precocious and manufacture the products that are best in quality, finish and style. The creativity and talent of the adroit employees is easily showcased and highlighted by the every piece they create. They have rich experience and...
