About Us

Sapra Paints Pvt. Ltd. a recog-nized supplier dealing in Paints & Allied products has a commitment to push boundaries of any oppor-tunities through extreme research and development. Based on its re-markable belief in total customer satisfaction, Sapra Paints can keep abreast of the present state of market and products and pro-vide most comprehensive painting ideas and solutions according to demand of the market by its own creativity and customer friendly approach, At Sapra Paints, the language of colors, textures & pat-terns are understood better. **Interiors** - Sapra Paints presents its collection of interior painting solutions for your home. Each one is perfect for people who settle for nothing but the best. The interior paints are made up of top quality co-polymers, that give them superior properties and features and make them much better than the rest. They are eve-rything you ever wished for with interior wall paint products and more. **Exteriors** - Specially formulated to protect your home against the elements, exterior paints help to protect against dirt, algae, fading, chalking and even keeping the temperature down! In house brand range of home exterior products meets high standards of protection and durability. **Epoxy Coating** - Two part epoxy coatings were developed for heavy duty service on metal and wood This product is very useful on floors in high traffic areas such as work-shops, basketball courts, hospital...
