About Us

Saqsham Solutions is one of the leading and Qualitative Service providers in Pune. With lots of enthusiasm we provide the state of art services to our esteemed Customer base.

Saqsham Solutions is a Leading Website Development & Design, Software Development, Content Development, Company from Pune and providing all kinds of IT Solutions as per customer's need in best price and timeframe.

Here at Saqsham Solutions, we focus on designing the ERP Solutions for your business. Our services include, document scanning and a combination of key-from-image and advanced data capture and recognition technologies. The data input can come from paper documents, image files, old databases, microfilms, and output could be in ASCII format, COBOL, PDF, MS Word, MS Excel, SGML, HTML, XML. Our outcome is a clean, accurate, uniform digital file, formatted to your specifications.

As a corporation, we believe in building a relationship that is based on trust and long term commitment. At Saqsham Solutions, we believe in connecting the potential employee aspirations to organizational growth plans. Techno Manpower Services welcomes the opportunity to be part of your human resources team. On-site or off-site, when you hire us, you will be hiring a full-time, full-service provider who will partner with you to get the best mileage possible from your investment in your workers. Think of Saqsham Solutions as your "one-stop solution" for...
