

Sarala Abhiyantriki

<https://www.indiamart.com/saralaabhiyantriki/>

We are one of the distinguished Manufacturers and Exporters of a wide range of Industrial Machines, Paver and Tile Machine, Baling Machines, Brick Making Machine etc. These are known for their precise functioning and longer functional life.

About Us

Established in the year **1995**, **Sarala Abhyantriki** is engaged in manufacturing and exporting **Semi Automatic Fly Ash Brick Machine, Paver Block Machine, Tile Machine, Reflecting Paver Plant, Waste Baling Machine, Paper Baling Machine, Hydraulic Power Pack**. These are reckoned for their accurate functioning, low maintenance and longer functional life. The range caters to the requirements of various industries such as metallurgical, engineering & pipeline. In addition to this, we also offer the range to power, brick and chemical plants. Our range is designed as per the latest industry requirements at our technically advanced manufacturing unit. These are tested to ensure their flawlessness. In addition to this, the range can also be customized as per the client's requirements. Apart from these, our researchers continuously improvise the quality of the products and enable us to keep in line with the standards of the industry. Furthermore, we also maintain easy payment modes for the client have to avoid all confusions at the time of transaction. Our organization has carved a niche for itself in the industry under the able guidance of **Mr. Jitendra Sharma**. His industry experience has enabled us to meet the targets for the organization and garner a vast client base across the globe. Our quality range of products is widely used across **Gulf & SAARC countries** and **Africa**.
