We are one of the leading manufacturers and suppliers of a wide range of Processed Minerals and Mining Minerals. These are appreciated for superior quality and are demanded across various industries.

About Us

Established in the year 1992, **Sara Minerals & Chemical Industries** stands amongst the prominent processors and traders of a wide range of processed and mining minerals. Our wide range of products includes **quartz silica sands, quartz silica chips, quartz powder, quartz metal, quartz silex, quartz silpoz, dolomite powder, natural silica sands, ball mill powder, river sands, filtration sands, decorative pebbles, lime stone, snow white and semi quartz lump.** Our **processing unit is based at Godhra in Gujarat**, and is equipped with the required machines that are used for carrying out the production procedures at a faster pace. Our team of experienced professionals makes use of the available resources in the most economical manner, which in turn helps us in not only assuring the quality of our range of products but cutting down the production cost as well. **Our Founder Mr. Hasnain Kadwalwala** is a man of extraordinary skills who has been guiding us since our inception. His invaluable guidance has proven highly beneficial for us, as it has helped us in farming strategies that have taken us to the new heights of the success.
