

# Saroj Engineering Company

<https://www.indiamart.com/saroj-engineering/>

We are leading suppliers, traders and exporters of a wide range of Engineering Products, known for varied features such as sturdiness, dimensional accuracy and high tensile strength. We also provide services of Project Consultancy Software Solution.

## About Us

We, "**Saroj Engineering Company, Mulund**", are counted among the renowned **supplier, trader and exporter** of a wide spectrum of **Precision Machine Components**. Also offer **Services** for **Software solutions**. We procure our quality products from praiseworthy and authentic vendors, who manufacture these products using latest technology. Complying with the industry standards, these products are extensively used in various industries such as food, automotive, power plants, research & technology and many more.

We are involved in providing our products to the clients across **Indian Subcontinent**. Our products are fabricated in sync with international quality standards at our vendor's end. Our strong association and business partnership with our vendors have helped us in getting excellent quality products at cost effective prices. To ensure durability, high tensile strength and dimensional accuracy, these products are stringently tested by our quality auditors. Therefore, owing to the premium quality products and services, we have been able to establish cordial relation with our clients.

Under the inspiring and worthy guidance of our mentor, "**Mr. Mehul Mehta**", we have been able to get closer to success. It is because of him, we have been able to scout more business across the globe and get strong foothold in the market.
