About Us

Sarvaiya Shipping is a marine spare parts supplier in Alang Ship Recycling Yard since the birth of the Alang Ship Recycling Yard in 1982. We have now built a great reputation in exporting marine engine spare parts and other marine items all over the world. We work very hard and heartily to give satisfactory service to our Customers which is the main aim of our company. We supply second hand marine spare parts.

Sarvaiya Shipping aims to provide Good Service for Our Customers because it is very important for Vessel that any item of Marine Engine Parts should be in technically perfect condition. We offer Special Service which gives maximum satisfaction to our Customers. Our special products are very much important for Shipping Services, Vessels Owners and also for Ship Repairing Yards. We have suitable product solutions for Ship Owners & All ship manager/ship operators.
