Satnam Minerals

<https://www.indiamart.com/satnam-minerals/>

Being a leader in the industry, we are engaged in manufacturing and trading a quality approved assortment of Dolomite and Marble Powder. These products are admired for their high purity and long shelf life.

About Us

We, **Satnam Minerals** from **2007** are famous amongst the esteemed manufacturer and trader of a qualitative range of Dolomite and Marble Powder. Offered products range consists of Dolomite Powder, Marble Powder, and Calcium Carbonate Powder. The offered range is prepared using pure ingredients as per client need under the direction of domain experts. Also, these products are admired in the market for high purity, and long shelf life.

As per quality standards, we are committed to the values of ethical practices, and responsibility towards patrons. We have established a sound infrastructure. We have all the automatic machine in the production unit to prepare products with the set quality norms. We have parted it into various functional sections. In addition to this, with the support of our talented team members and infra, we have a strong relationship with clients in a short time.

Managed under the headship of our mentor “**Mr. Ishwar Bhai**”, our firm has covered the foremost share in the market. Owing to his dedication and skills, we are famous in this domain.
