## About Us

Satra was established in the year 2002. Satra is a leading wholesale and supplier of mulberry silk fabric (sets) etc. These fabrics are available in different lengths and thicknesses at industry leading prices to fulfill the demands and needs of customers. Silk is a natural protein fiber some forms of which can be woven into textiles. The fabric made available by us is used for designing or weaving sarees and other apparel. We have a exclusive range of silk fabric to our clients. Our range is superior in quality as made by utilizing the premium quality yarns procured from the trusted vendors of the industry. Our silk fabric is available at reasonable price in the market. Further a creative team of designers which designs the entire offered range as per the demands and needs of our valued customers to provide an optimum level of satisfaction them.
