

Khetan Cables Network Pvt Ltd

<https://www.indiamart.com/satvik-bhog/>

We are one of the leading trader and supplier of high quality Soya Products. These products have won accolades across the nation owing to the features like rich nutritional content and cholesterol free nature.

About Us

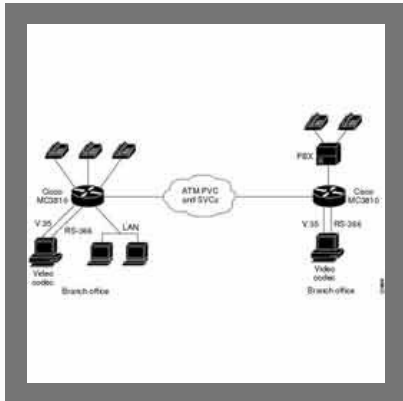

Established in **2011**, we “**Satvik Bhog Private Limited**”, are engaged in trading and supplying quality **Soya Products** to the customers in **Indore, Madhya Pradesh**. All our products are widely acclaimed by the customers due to their longer shelf life, high nutritional value and are easy to digest. Our products are process under clean & hygienic environment, using sophisticated machines for assuring that these meet industry standards. Further, these products are widely used in homes, hotels, restaurants and other food joints for preparing various dishes. The team of professionals hired by us is the strong pillars on which progress of our organization rests. Its self driven and customer oriented attitude has helped us in earning competitive edge over the competitors. Further, our high-tech infrastructure unit is installed with latest machines, technology and other required tools that help us in making the products of high quality. We also pay utmost attention on storing and packing our products for assuring complete safety. Under the able and efficient guidance of our manager, '**Mr. Prakash Khetan**', who has rich experience in this domain, we have carved a niche for ourselves in the market. His out of the box thinking and modern approach towards work process have helped us in garnering a huge client base across the nationwide market.
