

Satyam Enterprises

<https://www.indiamart.com/satyamenterprises-rajasthan/>

We “**Satyam Enterprises**” are a **Partnership Firm**, instrumental in **manufacturing and exporting** a comprehensive assortment of **Sodium Silico Fluoride, Soft Acid Slurry and Anti Moisture Granules And Powder.**

About Us

Satyam Enterprises is promoted and managed by Technocrats. One of the two promoters, **Mr. Hansmukh Ukawat** is **Computer Engineer** (18 Years served to J K Tyre, Kankroli as Manager (System)) and the other one, **Mr. Ratan** is **Bachelor in Science (Biology)**. **Satyam Enterprises** mainly **manufactures** and **exports Sodium Silico Fluoride, Soft Acid Slurry and Anti Moisture Granules And Powder**. Complete customer satisfaction is the motto of the company. In the stiff market competition and varying degree of demands of customers, we are meeting the challenge since **2004**, by maintaining the stringent Quality norms and at competitive prices.

The company is surging ahead under the able and technical guidance of consultants with sound knowledge, vast experience of Quality.

The Quality norms of each batch of the product and other additional services are provided by In House testing methods and verified by outsource Laboratory in our Town. Under the supervision of our mentor "**Hansmukh Ukawat** along with **Ratan Meghwal (Partner)**" we have achieved the reputed name in the industry.
