About Us

About Welcome to Saveen Chair Service Point Saveen Chair Service Point Founded in the year of 2000. We have a strong experience in this field. We have a more than 1000 clients. Saveen Chair Service Point., with fast experience in the field of providing seating solutions have put in a lot of efforts and ingredients in bringing out the best for the quality conscious people a whole series of chairs 'ECONOMIC' pricing to provide high quality chairs at affordable prices without compromising on quality. The chairs are categorized to suit to every job function mostly related to people working in MNC's, IT companies, corporates etc., We are confident in providing the best to the needs of our customers. With the increased capacity, we are in a position to cater to larger volumes with our new facility within a short time. While designing Aster Chairs, we have taken care to provide importance to two major things viz. Safety of the user & the comfort needed to improve work efficiency of the person. Two Major reasons for back pain which is so common these days even amongst young professionals (working for 12 to 14 hours a day) are improper sitting posture and badly designed chair where we have taken every care to avoid the latter by providing goods designs. We also educate our customers to avoid the former.
