About Us

Savita Green was established in year 2009 in the honor of our grand mother Savita Ben. Savita Green is located at excellent position between two cities of Gujarat such as it is near to mega city Ahmedabad as well as capital of state Gandhinagar. It is favorable for the clients of both cities and spread over 11000 square feet of area, best for marriage functions, small get-togethers and for personal social events. This beautiful lush green plot with capacity of serving 5000 persons is surrounded by natural beauty for making the memories of celebrations forever fresh. The green well maintained gardens with various natural fountains, wall fountains and sprinkle fountains are increasing the natural loveliness and helpful in maintaining the beautiful green environment. We are succeeded in the quest of providing gracious hospitality with world class facilities set in opulent ambience without compromise on quality or exclusivity. Savita green deems in going beyond the common horizon of hospitality and express its presence with dedicated services for creation of truly memorable experiences of celebrations. The well furnished and all air-conditioned rooms are available. We understand that Groom/Bride is the most special persons of the marriage function, so we have set special five star category room for their comfort with the facility of 25 banquet chairs and cushion sofas. We understand the true meaning of personal functions, parties, events, so we provide the best services....
