**Our company is the foremost manufacturer and exporter of superior quality Cocks and G.M Valves that are fabricated with the high grade material.**

## About Us

Established in the year **1980**, we **S.B. Mechanical Works, Jalandhar, Punjab** are a well-known manufacturer, exporter and supplier of **Cocks and G.M Valves** that are appreciated for its **durability and strength**. Our products are precisely designed in accordance with the client's requirement. The comprehensive range of our product includes **Push Cock, Tea Cock, Lift Cock, Nozzle Cock, and Stop Cock (male), Stop Cock (female), Taper Cock, Ventricle Check Valve, Ball Cock, Waste Coupling and many more**. These products are tested on various parameters to ensure that our products are **qualitative and completely fault free**. Add to that, we are also involved in manufacturing an innovative range of **Self Priming Monoblock Pumps**. We are committed to offer a **standard quality range** of products to our clients. The quality measures we follow are as per the industry norms and are implemented by our **quality analyst**. Our products go through a series of **stringent and rigorous quality tests** at every stage of production. Quality being the most crucial factor has helped us in developing a distinct position in the market. The focus of our company is to maintain the quality perspective to ensure that we are succeeded in rendering maximum satisfaction of clients. We are equipped with **state-of-the-art infrastructure** outfitted with latest machines and equipment. Our machines are precise...
