About Us

sbuys.in is an exciting new web portal designed for online shoppers, which provides a platform for retail and purchase of the trendiest, latest in fashion womens' and kids' wear. sbuys.in is an initiative of Pearl Global Industries Ltd., one of India's leading apparel-export companies and a trusted supplier to global retailers. A contemporary clothes brand, sbuys caters to the ever-evolving fashion sensibilities of women who choose innovative and quality dressing for themselves and their kids. In-sync with the latest international cuts and textures, the brand brings to the table some of the finest tailoring and designs. **The sbuys.in Boutique:** The website would engage with the upcoming fashion designers, offering them a platform to showcase their collection. The initiative would bring into focus different designers who will individually manage their collections on the website.
