About Us

Welcome to the flourishing world of SCAP Techno Fab Pvt. Ltd., one of the leading traders and manufacturers of Non-woven Fabric. We are counted among the distinguished Non-woven fabric's traders from 2008 in Surat and active in the field of manufacturing PP Non-woven fabric from 2011. The quality of the products has earned us a long list of reputed clients in Gujarat and all over India. Our customers are placing repeated and bulk order that depict the reliability and the quality of the products. And last but not least, we always look for more beneficial deals that escort us to the extreme heights of success. Mission & Vision Our prime mission is to develop a relationship of trust with our customers and for the same we serve the excellent quality products. Besides this, our Vision is also dedicated towards to fulfill the responsibilities on the social and professional grounds. This view motivates us to stay ahead in this highly competitive era.
