<https://www.indiamart.com/screenart/>

Manufacturer, importer, Exporter and supplier of high quality Heat Seal Transfers & Machines and Head Fusing Press. These products are used widely in garment industry to implant attractive designs and graphics.

About Us

Established in the year 1962, 'Screen Arts' is a leading name in the Transfer Technology in India, and other parts of the world. We are an **ISO 9001:2000 certified** organization that is involved in the manufacturing of **Heat Seal Transfers**. We specialize in a range of **heat transfer facilities ranging from Tag-less Label(Duraflex), Sublimation Transfers, Rubberized Photo Transfers, Hot Peel Transfers**. Our product line also includes **Multi-Color Puff Transfers, Glitter Transfers, Metallic (Foil) & applique (Foil & Fabric), Studs & Stones(Crystals) & Sequins, High Density, Reflective,Heat Transfer Fusing Press, Foil Transfers (Stamping Foil)**. The entire collection is available to our esteemed clients at an affordable price.

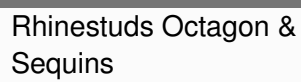

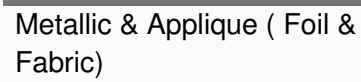

These products are fabricated at our advanced manufacturing unit, well equipped with latest equipment. The skilled personnel that operate these machines have in depth knowledge of the domain. Owing to these, the quality of our products is premium and highly appreciated by our clients. Our clientele include reputed names in garment industry viz. Gap, Old Navy, Benetton, Hanes, Fruit of the Loom, Express, Polo Ralph & Armani. Along with our Indian clients, we are also serving our clients in the international markets of Sri Lanka, Bangladesh, Pakistan, Dubai, Jordan & Egypt.
