## About Us

Welcome to Scube Tattoogy, one of India's finest Artist. This is Suhas Shinde, an independent tattoo artist working in Mumbai. My establishment – Scube Tattoology was started in 2014 & the focus has always been Art on Skin. Taking a concept & make it fit perfectly to your body. There is a consulting process & all artwork is custom made so that your tattoo is as unique as you are. your favorite painting, song or movie invokes an emotional response tattooing, at its purest form, can be the physical manifestation of this highly personal interaction. If you have chosen a tattoo artist who is able to create a unique design then part of your body and by extension, you, are essentially turned into a living work of art.
