Shivsati Tradecom Private Limited

<https://www.indiamart.com/seedsnuts/>

We are among the prestigious organizations engaged into procurement of Agro Products and supplier & exporter of the same.

About Us

Ever since our inception in year **2010**, we are one of the renowned organization involved in exporting and supplying **Bold – Quality Peanuts and Java – Quality Peanuts**. Along with peanuts, we are also dealing with **Oil Seeds & Spices**. All our agro-commodities & raw materials are carefully sourced from India's prime farming areas. We have tie-ups with the cultivators for direct sourcing at the grass-root levels. We also guide them for modern techniques to improvise productivity & quality of the produce. We give more emphasis on checking the quality to ensure the supply of only high quality product in the market. Our products have made a distinct place in the market owing to their features like quality, tastes, longer preservative life and market leading prices. Our organization has always given utmost importance towards the quality of our offered products. Hence, we have developed a sophisticated infrastructure which is equipped with all modern machinery and technology, divided into separate sections for having efficient working. All the products of our firm are examined by quality experts, before their delivery to ensure their quality standard. Along with that we are also supported by a sophisticated storage and packaging facility for safe storage and hygienic packaging of our products. These packaging experts use optimum-grade quality and air-tight packaging material to preserve the natural flavor and...
