Established in **1974**, We are a leading manufacturer, exporter & supplier of Pharmaceutical, Cosmetic, Pan Masala & Food machinery.

About Us

The company was established in the year **1974** under the able and visionary leadership of Late Shri Vijay Kumar Sehgal. With a humble beginning we primarily catered to the pharmaceutical industry. Over the years "**Sehgal Industrial Works**" branded machines fast developed a reputation and market space for its Quality. Reliability and Competitive Pricing. Now, we are one of the leading **manufacturer** and **exporter** of **Industrial Process Machinery** for various applications in Pharmaceutical, Chemical, Cosmetic, Food, Confectionery, Pan Masala and Allied Industries. We cater to the engineering requirements of these industries throughout the country and exports to SAARC nations Middle East and African countries.

We have built in well equipped and spacious manufacturing facility at Malkaganj and our associate company Pharmaceutic Engineers Pvt. Ltd. is independently functioning from Bawana Industrial Area. We have a dedicated team of skilled and experienced man power committed to customer satisfaction. The entire manufacturing process from the procurement of raw materials to the end product is subjected to strict quality control system. The rich experience and expertise of Shri V. K. Sehgal enables us to understand our valuable customers real needs and to supply superior quality products with the highest operating efficiency.

We are specialized in Tablet Section Machines especially Tray Dryers, Fluid Bed Dryers, Mixers, Blenders,...
