## About Us

Established in the year **2013 at Bengaluru, (Karnataka, India)**, we “**Serana Distribution & Services**” are a **Partnership** firm engaged in **trading and distributing** an optimum quality assortment of **Pipe Clamp, Metal Clamp, Metal Coupler and many more**. We are supervised under the meticulous and stern management of our Mentor “**TV. Ramakrishna (C.E.O.)**”. All these products are provided in given time frame.

Our firm deals in marketing, sales, distribution and services of high-end technology products and solutions with a wide network across South India. We have gained the confidence of hundreds of key clients in a short span of time.

Our goal is to provide high-quality products for the automobile industries, manufacturing, chemical and shipping industries, agriculture, construction industries, aviation industries etc. We have grown consistently as a technology provider serving a diverse portfolio of businesses via a channel of dealers and reseller customers. We see ourselves as an indispensable link in the technology value chain. We also simplify the process of ordering, provisioning and supporting channel partners.

Our vision is to earn the reputation of a leading distributor whose focus is on consistently addressing businesses requirements through a proactive leadership with channel partners serving those customers.
