## About Us

We would like to express our sincere thanks to our all customers and feel very great pleasure to presenting our new Product Catalogue, showing all the machines, we make. Established in 1967, SEWAK GROUP has been developing & manufacturing full range of INDUSTRIAL & DOMESTIC SEWING MACHINES, under popularly known brand name SEWAK. All the machines made here are in accordance with the guidelines laid down by International Garments Society. So, it helps us to maintain highest quality standard. We have fully automated machineries, equipments and highly qualified engineers to maintain the highest standard of quality. We always believe in new innovation and continuous up gradation of technology. Our technological superiority has ad ours credential for quality and performance. We are recipient of GOLD MEDAL AWARD and EXPORT EXCELLENCE AWARD given by GOVT. OF INDIA. Presently we are exporting our machines to Europe, U.S.A., Middle East, Far East & African Countries.
