## About Us

Established with a view of making different concepts for different Spaces. Each and every Individual is different from all perspectives of life the looks , the nature, the thought process, the working style and living environment. Thus SGA was formed to give different people the looks they think and they imagine.

SGA DESIGNS is a group of Dynamic Designers Headed by Principal Samson Gomes. SGA DESIGNS came into existence from 2008. Ar. Samson Gomes strongly believes in Turnkey solutions for Interiors and Furnitures.

Turnkey Solutions helps in proper designing the Concepts from initiation to Completion with proper detailing for materials. SGA strongly believes in customer satisfaction , thus we give a warranty for our prestigious projects from the time of completion to satisfaction of the Client.

We also carry out Custom Design and Execution for our projects and for our clients. The Principals past experience range from Commercial, Residential and Corporate fields, which include Commercial and Residential

Young and Dynamic firm with a Zeal to grow and always ready for Clients satisfaction

Worship to our work and mutual understanding from Senior to junior to Labour is the key which leads us further to the next Level.
