About Us

Established in the year **2003**, we, '**Shades Exports**' are one of the prominent manufacturers, suppliers and exporters of **Ladies Garments**. In addition to this, our expertise also allows us to provide pure and hygienic Mineral Water. Our diversified business activities are carried out by our efficient team of professionals having specialization in the respective domain. Over the years, we have served our valued clients as per their need spread across in the domestic as well as overseas markets. We are a professionally managed organization and make sure to complete the assigned task within the stipulated time frame. To craft our range of designer garments, we have advanced machines, tools and other requisite facilities at our disposal. The team of designers we have appointed are aware about the changing fashion trends and make sure that the garments are designed accordingly. Utmost care is taken to towards maintaining the quality of the products and the consignments are packed properly to avoid any damaged during transit. Our mentor '**Mr. Vishal Kothari**' is the guiding force behind the successful working of our organization. Under his impressive supervision, we have reached pinnacle of success and diversified our business across the globe.
