About Us

Shah Vittal Das Parmanand was established in the year of 2004. We are a leading Wholesale Trader of Black Pepper, Green Cardamom, Dry Ginger, Nutmeg, Clove Seed, etc. We are offering wide range of Dry Ginger to our clients in processed using quality ingredients. It has a taste that lasts long so does its aroma. Widely used in culinary, it enhances their flavor and aroma. Apart from it, Dry Ginger has several health benefits and is very effective against cold & cough. It is used as a paste in cooking.

We offer Clove Seeds that are natural and pure and are used to spice up various food items with its delighting flavor. These whole cloves spices can easily overpower a dish, particularly when ground and can be found extensively in Indian Cuisines. They are used in a number of spice mixture like garam masala, pickle spices and several kinds of curry powders.
