

# Shah Brothers

<https://www.indiamart.com/shahbrothers-kolkata/>

we are one of the renowned **distributors, exporter and suppliers** of industrial **rotary gear pumps**. Our prime aim is to supply quality products that are reliable, durable and efficient.

## About Us

**Shah Brothers** was incepted in the year **1991** as a **private limited firm**, and since then we **distribute, export and supply industrial rotary gear pumps, polypropylene pumps and fuel injection internal gear pumps**. These products are manufactured using high quality raw materials due to their anti-corrosive and anti-abrasive properties. These pumps find application in a variety of areas. We have state-of-the-art infrastructure to efficiently carry out our activities to meet the diverse need of the clients. There are various departments which are well equipped with all the latest facilities and amenities. These departments are headed by well experienced and qualified personnel. There is a high level of coordination between different departments to facilitate efficient and speedy delivery. Our team is an ensemble of people from diverse backgrounds having expertise in the field of operation. These people are motivated by rewards and incentives for a high level of performance. There is a high level of coordination and camaraderie among the team members to make the work culture conducive for an efficient production. We regularly train our employees to build a highly skilled workforce, and this contributes to the delivery of high quality products to the clients. Quality is one aspect where we lay utmost emphasis, and there is no compromise with the features like efficiency and durability of the products. Our quality team keeps pace...
