We **Shalman Pharmaceuticals Pvt. Ltd.**, Gujarat based company are engaged in manufacturing and exports of pharmaceutical formulations.

About Us

Shalman Pharmaceuticals Pvt. Ltd. is a Gujarat based **Schedule M & ISO 9001: 2008** certified Pharmaceutical Company engaged in the manufacturing and marketing of pharmaceutical products of its own as well as contract manufacturing of specialized products for other reputed Pharmaceutical Houses on Third Party arrangement.

Shalman Pharmaceuticals Pvt. Ltd. is equipped with all modern manufacturing facilities and amenities which has been supported and strengthened by qualified and experienced people who manage and manufacture qualitative products. In this state of the art plant we have facilities to manufacture various finished formulations in dosage forms of **Tablets (Plain, Coated and Dispersible), Capsules** and **Liquids Orals**. Formulations are manufactured in the plant which is equipped with **Air Handling Units (AHUs)** and in dehumidified conditions with latest technology under the guidance of experts and experienced technical personnel to ensure high standards of quality. Moving ahead with global trends the company has completed the process of acquiring **Schedule M Certification** for the plant and to further improve its quality and management standards, the company also acquired **ISO 9001:2008 Certification**. The company is also in the process of up gradation and expansion of its facilities to meet the requirements of its own and other esteemed clients for manufacturing of formulations containing...
