## About Us

Shama Industries established in year 1995. Craftsmanship, progress and unequalled expertise with leather, Shama Industries are reconfigured with a timely awareness evident in desirable and functional products across multiple categories, including ready-to-wear, accessories, home and lifestyle. Our Company offers a unique mix of design and craftsmanship as it celebrates an era when every journey was glamorous and travels ventured to unfamiliar frontiers to discover both themselves. Shama Industries also established as a brand of choice for high fashion leather products.
