## About Us

Shanti Chemicals is reckoned as one of the pioneer companies to start production of Essential oil and Mint products in India. Established in 1984, under the name of SHANTI RAYASAN UDYOG by Mr. Pawan Kumar Agarwal the owner, the firm has grown from strength to strength during last 27 years. We started our new unit in 1996 at Chandausi (Uttar Pradesh), in the heart of Mentha Herb Belt, where over 80% of Indian Mentha Oil is produced under the name of Shanti Chemicals. Shanti Chemicals is one of the leading Manufacturers and Suppliers of Mint Products and Essential Oil from India. With our rich experience of over 28 years, we specialize in offering "SHANTI" Brand Liquid Menthol, Dementholised Peppermint Oil, Dementholised Oil, Menthol Powder, Menthol Bold Crystal, Mentha Arvensis Oil, Mentha Piperita Oil, Basil Oil, Anethole Oil, and Spearmint Oil. These Mint Products and Essential Oil are processed by the experts in fully-equipped plant that is situated near to raw-material source, so availability of raw material is always in abundance. Over a period, we have gained a reputation in processing of high quality Mint & Essential Oils and it is a matter of great pride that our client list includes all types of industries whether it is Pharmaceuticals Formulations, Herbal Companies, Tobacco Industries, Cosmetics, Perfumers and Flavors, Ayurveda and Confectionery Manufacturers, etc. The rates of our Mint & Essential Oils are always competitive and we provide prompt response to any...
