https://www.indiamart.com/sharmasurgicalandengineering/

We “Sharma Surgical & Engineering Pvt. Ltd.” are an ISO 9001:2008 and ISO 13485:2003 certified company engaged in manufacturing and exporting a high-quality array of Interlocking Nails, Tibial Nails, etc.
About Us

We Sharma Surgical & Engineering Private Limited started in the year 1994, are one of the foremost Manufacturers and Exporters of an extensive array of Interlocking and Femoral Nails. Our offered range consists of best grade Interlocking Nails, Femoral Nails, and Tibial Nails. Designed by the use of excellent quality material, these are available in several sizes as per the exact requirements of our customers. Our product range is appreciated by our customers owing to their lightweight, simple design, highly durable, easy to use, and long-term durability.

We work with extreme enthusiasm and assure to accomplish great customer satisfaction by offering a high-quality range of interlocking and femoral nails. In order to convene the accurate needs of clients in the most flourishing way, we offer these interlocking and femoral nails in standard and customized specifications. Backed by a team of experienced staff, we have been able to meet the precise needs of our clients. Owing to our ethical business policies, high-quality products range and reasonable prices, we have increased the number of our satisfied clients.

Under the headship of our mentor Mr. Anand Kumar Sharma, our organization is moving ahead in this cutting-edge competition. He, with his knowledge and expertise, has enabled us to cater the demands of customers.
