## About Us

Since **1999**, **Sharu Industries Private Limited** is engaged in manufacturing, exporting and supplying a wide range of Steel Tools and Bars. Our huge array of product includes Steel Flats and Rectangular Bars, Steel Rounds (All Grades including EN Series), Tool Steel (H 11, H 13), Die Blocks and Tool Steel (D3). These products are made up of superior quality stainless to ensure that our product is highly durable and resistant to wear and tear. We ensure that our product stand on various parameters of quality and prove useful for our clients. Quality is being the most crucial factor for our company and we always try to maintain in all perspectives. For this we stringently test our products under the experts who ensure that our products can withstand the desired expectations of our clients. For this purpose, qualified experts are hired by us to observe stringent quality related measures at every stage, right from the manufacturing stage till attainment of the final output. This leaves no scope for further improvisation, thereby resulting in the production of defect-free and unmatched products. Our organization is led by **Mr.Gaurav Jain**. Backed by extensive process experience, his experienced handling of the involved business operations as well as service support of experienced staff allow us to deliver the quality range products in configurations as demanded by our customers. With his vast industrial experience and skills, we have gained a brad...
