

# Sharvik Integra

<https://www.indiamart.com/sharvik/>

We are a leading manufacturers and exporters of plastic components moulded for quality concious clients from various industries .

We are also the pionner manufacturers of plastic camlocks for PUF sandwich panels.

## About Us

Established in the year 1996, Sharvik Integra is engaged in manufacturing and supplying injection molded components of engineering thermoplastics. Our manufacturing unit is at village Shivne about 20 minutes drive from Pune (Maharashtra).

Our highly experienced quality analysts closely monitor these products and the manufacturing processes. At our unit, we have all the testing equipment and facilities required for confirming the quality of our products.
