# INJECTION MOULDING COMPONENTS

Injection Moulded Automobile Parts

Injection Moulds

Custom Injection Moulding

Injection Moulded Plastic

# PLASTIC MOULDED PRODUCTS

Electrical Plastic Components

Industrial Plastic Components

Plastic Moulded Products

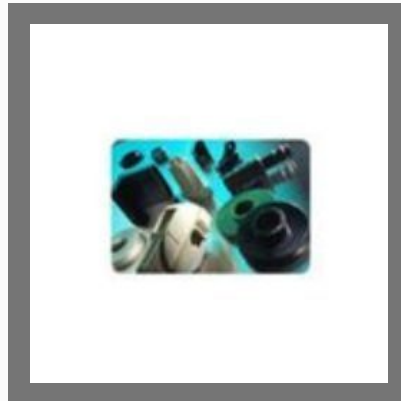

Moulding Plastic

# INDUSTRIAL MOULDED COMPONENTS

Commercial Components

Injection Moulded Components

Moulded Components

Prototype Parts

## NEW ITEMS

Housing Clamp

Rigid Washers

Thin Fluid Grip Washers

Rubber Grip Pack

## OTHER PRODUCTS:

Automotive Interior Decorate

Plastic Molded Parts

Commercial Vehicle Components

Automotive Clamps

# Factsheet

Year of Establishment : 1990

---

Nature of Business : Exporter

---

Total Number of Employees : 11 to 25 People

---
