About Us

Shayan Beautyarlour was established on August 16, 2009, with an aim to open a beauty salon that was miles away from the traditional beauty salon and create a unique salon in its own way. Since that time we have established ourselves and have grown within the Govind Puri Extention , N. Delhi specializing in body as well as facial care with a holistic approach. We started with our first branch on the above mentioned date. We opened our second branch on January 01, 2012, in munirka village specialized for door step service .

Since our inception and up to this time we were testing, analyzing and trying to understand the industry in the best possible way. The thought job is over and now we are going to expand through partner channel and franchise system, wherein the work is in progress. Shyan Beauty Parllour is the brainchild of Mrs. Simmi Bagchi and it's with great honour that we are making her presence felt. Mrs. Simmi has several degrees related to this industry which has made her the pioneer of this beauty parlour. In 2009, she completed a course in Fashion Designing from Khazani Women's Polytechnic in New Delhi. She also completed hair stylish course from javed habib in 2004. She completed a course in Beauty and Hair from sahanaj hussain in 1998 .

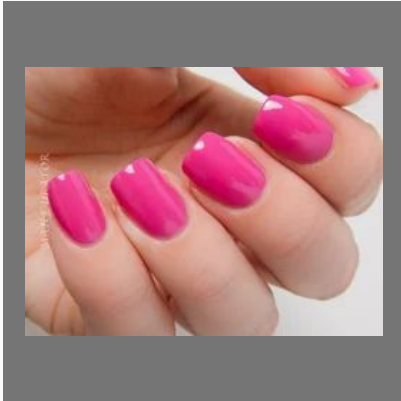

From 1998 to 2009, she was working with a beauty salon in Vasant Kunj Delhi respectively and in 2009 she opeined own beauty parlour in Govind puri extention. She completed a course in Advance Beauty...
