About Us

Shet Borkar Decorators & Event Management was established in the year 2014. We are the leading service providers of Wedding Management. We plan, organize and execute wedding events in a grand manner. We take care of each minute thing for making the event successful and enjoyable. Our professionals make sure that the party is organized in the most professional and systematic manner with memorable.

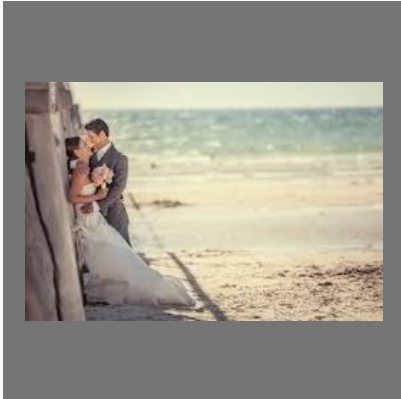

After attaining a thorough understanding of the objective event, we plan the event wherein we make sure in effectively reflecting the same, assuring a successful event. The events are organized keeping the requirement of our clients for selection of themes, venue and other allied things into consideration. In the planning process, we make sure that we work as per the client's requirement and budgetary estimates.
