<https://www.indiamart.com/shethelectronics/>

We are one of the chief distributor, wholesaler, importer & domestic supplier of industrial electronic component. Our team is committed to increase our market share by providing quality assured gamut with accordance to requisite standard.

## About Us

Started in the year 1991, **Sheth Electronics** has firmed itself as one of the primary distributor, wholesaler, importer and domestic supplier of electrical and electrical components such as lithium power batteries, NIMH power batteries, LED and LCD displays, Transistors and diodes, Relays, Terminals, heat sinks, buzzer, fan, fan grills and many more.

We source our comprehensive range of electrical components from reliable and trusted partners across the domestic markets as well as from countries such as **Hong Kong, Singapore, Taiwan and China**. Our procurement agents have vast industry experience which enables them to identify prominent Distributor in this category. Our vendors are also selected on certain factors such as timely delivery, cost effectiveness and quality of the electrical components.

Under the able leadership of our owner Mr. Atul Sheth who is having tremendous experience of 18 years we have been able to put across top notch quality of electrical equipments to our valued clients. We have been effectively meeting the ever increasing demand of our components with the shortest possible time span.

# BATTERIES AND BATTERY HOLDERS

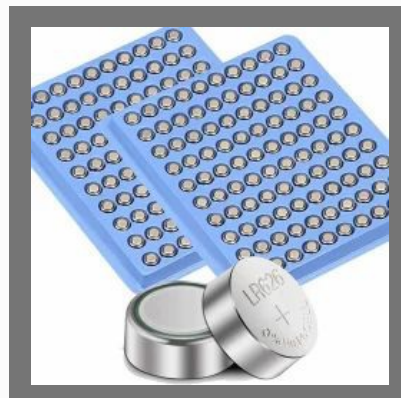

7 4v/2200mah Lithium Ion Battery Pack

3.7V/2600Mah Lithium Ion Battery

NI-MH Battery Packs

Coin Cell Batteries

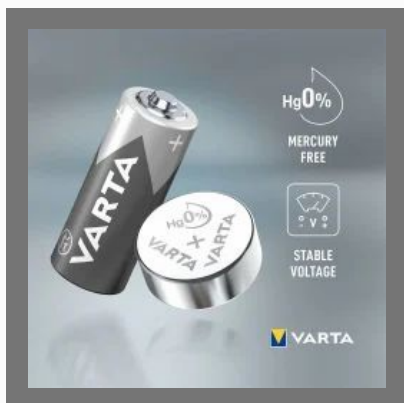

# LITHIUM BATTERY

9v Lithium Battery

Coin Cell Battery Holder PCB  
Mounting Thru-Hole/SMD type  
with Horizontal-Vertical

Varta Lithium Battery

Toshiba Lithium Battery

# CONNECTORS

Electronic Connector Right Angle

Mini Din Jack/Plug

Rca Female & Male Sockets

3 Pin Male Power Socket

## SMD COMPONENTS

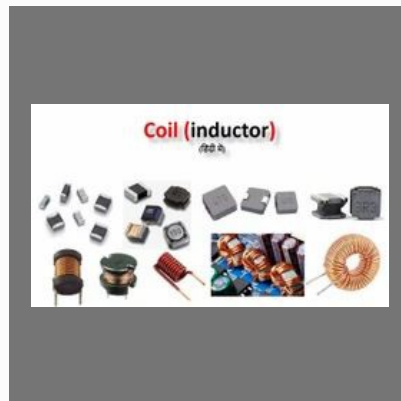

Smd Ics Integrated Circuits

Tact Switch Smd

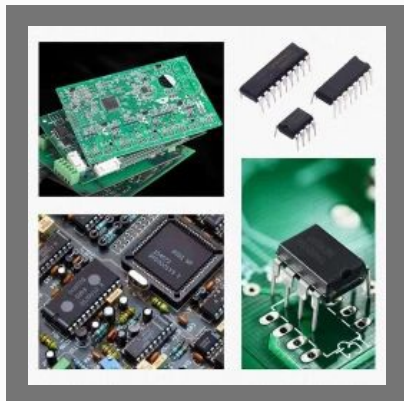

Micro Usb Connector Smd

Smd Power Inductors Coil

# INTEGRATED CIRCUITS

C-Mos Integrated Circuits

Db3 Diodo Diac Diode

NXP integrated circuit

Eeprom Integrated Circuit

# ELECTRONIC CONNECTORS

24V/5A Ac Dc Power Adapter

Low Profile IC Socket &  
Machined IC Socket

Usb Data Cable

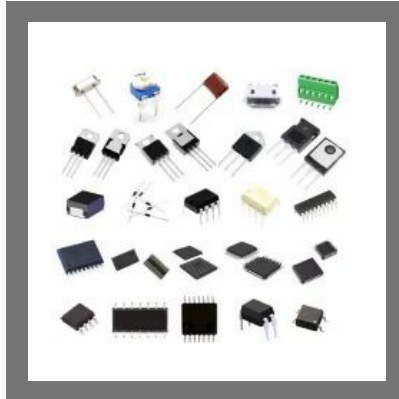

USB Male To Female And A  
To B Type Connectors

Metal Oxide Varistor Mov

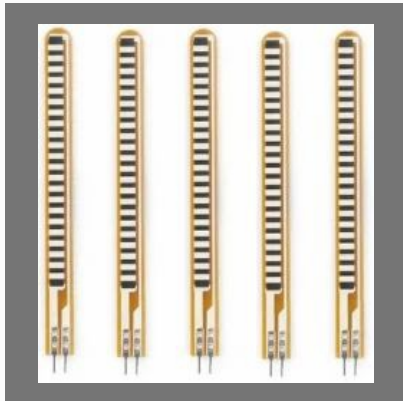

Integrated Circuits ICs

Electronic Sensor Borads

Electrical And Electronic Connectors

Flex Sensor 2.2 inch

Contactless IR Digital Infrared  
Temperature Sensor GY-906  
MLX90614

Piezo Vibration Sensor (High  
Sensitivity)

Wind Speed Sensor

## OTHER PRODUCTS:

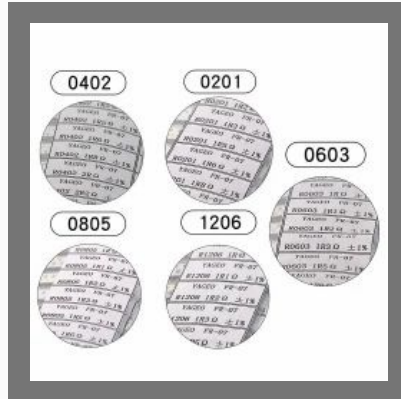

Rechargeable Lithium Ion Battery

Renata Lithium Battery

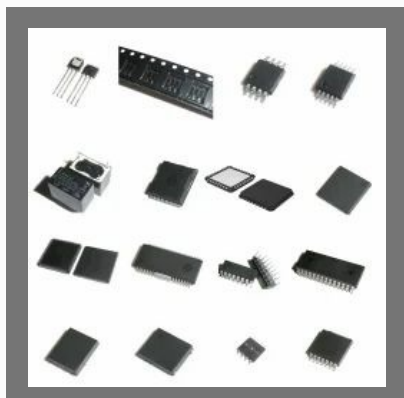

Power Socket With Fuse & On Off Switch EMI12

Surface Mounted Device Resistance

## OTHER PRODUCTS:

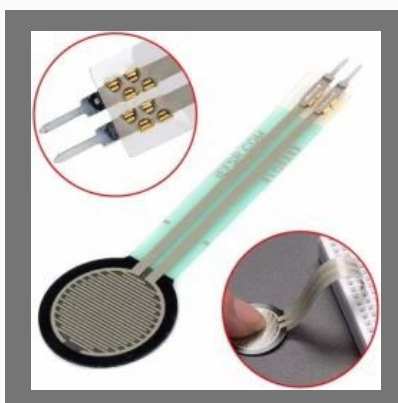

Integrated Circuits Ic

Idc Socket Connector

Electronic Piezo Buzzer

Force Sensitive Register  
Sensor 0.3 inch

# Factsheet

Year of Establishment	: 1991
Nature of Business	: Wholesale Trader
Total Number of Employees	: Upto 10 People
