About Us

Shighi Technologies could be a very useful resource for you. Shighi Technologies is an Indian company located in Madurai, the temple city of Tamilnadu, India. We have been serving global customers since 2006. Shighi Technologies is a complete IT-services company offering comprehensive services to enterprises across a wide range of platforms and technologies. Our primary areas of expertise are in providing quality, cost effective software/web development and outsourced IT/BPO services to our clients. Our commitment is to continue to build on our past successes with providing outsourced IT services that are very competitively priced. We are totally committed to providing a hassle-free outsourcing experience and excellent customer support. Our aspiration is to make you, our customer, very happy while establishing long-term relationships and loyalty.
