## About Us

Shilpi Jewellers is one of the leading jewellery manufacturer in India. Shilpi was formed in the Year 1972 with the sole purpose of manufacturing wide range of guarantee jewelleryes resulting in the increase of outcomes of the business of our clients

Shilpi Jewellers is started by Mr.Arun Jain. It was originally named as 16up Meena Product. In the year 2000 16up Meena Product was renamed as Shilpi Jewellers.Shilpi stems from the Hindu word which means, "Architect.". "In Hindi and Bengali language, Shilpi means artist. So we try to give our best designs to large number of wholesalers.

We only deal in wholesaling and exports. We have personalized our services for customer's confidentiality and better service. Shilpi Jewellers is focused at offering customers a pleasant jewelryexperience. Since inception, we have endeavored to make diamonds more accessible, transactions more convenient and the experience, as fulfilling as possible. By looking at jewelry through the eyes of customers, we have grown exponentially and are patronized by tens of thousands of customers around the world.

Our vision is to enhance the Indian culture and tradition by projecting it globally through our vast range of novelties ranging from Bangles, Necklace sets, Body Décor Tattoos, Stick-on Tikas, Earrings, Finger Rings, Wedding Rings, Payals, Pendant Sets, Panjas and Bridal Bindis which are manufactured and designed to suit the diverse tastes of...
