## About Us

How we started? Shitole Ferrocretes was founded in Pune (Maharashtra), India in 2001 by Vijay Shitole. Shitole Ferrocretes's "Commitment to Excellence," philosophy is the core of its heart and the reason for its existence. There are no secrets to success. It is the result of preparation, hard work, and learning from failure."Vijay Shitole .

- A reputation for value.
- Coordinated Efforts for seamless results.
- Effective, efficient and on-time installations.

Why Choose Us? As a family-owned, small business we have the ability to make decisions, act accordingly, and personally meet our customer's needs quickly without the bureaucracy of a large business. We are privileged to maintain close relationships with our customers, vendors, and suppliers to ensure that the best is always passed along to our clients. Our Strength

- Ability to meet expectations on-time and within budget.
- Commitment to quality work and exemplary client service.
- "Fast Track" capability.
- Strong reputations in government and private sectors.
- Sufficient bonding capacity to meet your needs.

Our Mission To deliver exceptional, cost-effective projects on schedule by consistently employing motivated, focused teams. We value the importance of our relationships and will continue to remain true and fair in all our business dealings. Our customers count on our...
