

Shivshakti Enterprise

<https://www.indiamart.com/shiv-shakti-enterprises/>

Our organization is counted as a distinctive trader and supplier of testing instruments and electronic components. These products are reckoned for their high efficiency, longer functional life and optimum functionality.

About Us

Established in the year, **1994**, we, "**Shiv Shakti Enterprises**", are recognized as one of the prominent traders and suppliers of **Testing Instruments and Electronic Components**. These products are manufactured as per the international market trends and in adherence to prevailing quality standards at our vendors' ends. Owing to the formidable features like reliability, corrosion-resistant and easy operation, these products find applications in manufacturing industry, airport security services, research institutions, food processing industry and various other industries. Based at **Surat (Gujarat, India)**, we have set up a voluminous warehousing facility for bulk storage of our products. Our warehousing unit is equipped with requisite material handling equipment and other amenities for safe & proper storage of the entire range. Further, with the help of our experienced professionals, we are able to execute each business function in a streamlined manner. These professionals make sure to procure the entire range from reliable manufacturers, who use optimum grade raw components to fabricate the entire range. Owing to our client-centric approach and quality product line, we have garnered a huge clientele across the **Indian Subcontinent, East Asia, Middle East and South-East Asia**. We have attained position of repute in the global market under the leadership of our mentor, "**Mr. Naresh Agrawal**". Owing to his sharp...
