About Us

Shiv Shakti Processed Food Private Limited was established in the year of 2007. We are a leading OEM Manufacturer & supplier of Flour Mill, Maida Flour, Wheat Flour, etc. Our whole wheat maida has a longer shelf life and has no added flavour or preservatives. Free from impurities, our whole wheat Maida is high on nutritional value. They are highly acclaimed for being fresh, unadulterated and pure in their composition. These grocery products are easily accessible to clients from us.

We manufacture and supply a precision designed range of Domestic Flour Mill, which is very reliable and widely used for having freshly prepared wheat flour. Our clients can avail this product for having flour of different crops like maize, rice, pulses and other food items. Their indigenous technology combined with superior engineering finish makes these products easy to use, even by semi-skilled labor.
