About Us

Shiva Group is a versatile business group with around 250 employees that contribute to its Pan India Geographical presence. Started in 1996, this company is growing into a beacon for others to copy and emulate.

Experience. Quality. Reliability! The first company (Shiva Consultancy) was founded by our present M.D. Mr. Mithlilesh Giri in the year 1996 as a proprietorship company. Being a qualified engineer, and getting enriched from his hands-on experience in managing steel plants based on steel-making through Induction Furnace route, he started his own consultancy unit and after a short stint of 8 years in the business, registered the company in the year 2004 as a Private Ltd. company and started complete concept –to- commissioning assignments.
