MFG: Brass, steel & zinc builders hardware products. Such as hinge, handels, bolts, glass brackets, kote Hooks & any type of products In this matels.

## About Us

We, the descendants of RAVJI DEVJI & SONS, believe that the most precious thing in the universe is the mankind and the most precious thing in life is happiness. Since its beginning in the year 1992, when the company was only assembling the building hardware & furniture fittings, customer satisfaction, market needs and creativity were the morals under observation, keeping this thing in mind, in the year 1998 company started manufacturing of "SHIVAM BRASS PRODUCTS" the 'Spread Smile'. So there is no wonder why the company has wide range of satisfied customers. The master pieces here are crafted to enrich life and bring to life. We at Shivam brass products offer high quality products that meet the specific requirements of the industry. We are specialist manufacturers of brass handles, brass hinges, bolts, knobs, socket, hangers, window stays, door fittings, glass fittings and other architectural hardware of very high quality.

It is indeed an advantage for us that all the manufacturing processes are performed under one roof which further leads to cost effectiveness. We are well equipped with the latest plant and machinery to manufacture high-class quality products. A strong belief in human resources has led us to make major investments in training and teamwork development. In fact, regular welfare measures are taken to foster and nurture a harmonious work culture.

Quality assurance and environmental issues are high priorities and careful...
