We have been crafting fine products for men since 1928. Our original factory remains in Ludhiana, a city known for apparel craftsmanship while we are headquartered in UAE .Purple Glisten is today a global manufacturer and supplier of menswear product

About Us

Purple Glisten is the most innovative custom and standard size clothing brand and is available worldwide. We are on a mission to foster style in urban businessmen. We integrate contemporary product design and technology with old school tailoring techniques to bring you a high-quality yet affordable product. We at Purple Glisten, believe in making a man look sharp at all times. Purple Glisten is a modern man's fashion brand which brings sharp and minimal design aesthetics. We are a brand where the fit and sWe are the strong believer of "Quality is always in trend". At Purple Glisten, much attention is paid to the provenance of our raw materials, especially our fabrics. We work with only a handful of suppliers across the world, to bring you only the best quality Egyptian cotton, Giza cotton and Premium cotton for shirts and Premium wool, poly-wool, terry-rayon, poly-rayon for formal trousers, etc. Our fabrics are pre-washed to avoid shrinkage, and in certain cases, treated with Enzymes to give a softer, more comfortable feel. Many of our fabrics are treated with easy-care washes, to make ironing easier. Ultimately, the selection of your dress fabric will be a careful consideration of the Ply, Count, Composition and Weave. tructure, taste for elegance & style, and the modern consumer is the utmost priority. Our team has the most dynamic people who hold similar tastes but have a different approach.
