About Us

Established in the year 1993, Shivam Narrow Fabrics is engaged in manufacturing, trading and exporting a comprehensive range of durable products. We offer Polyester Webbing, Ribbon Tape, Leather Cord, and Satin Ribbon, etc. These are available in various sizes, colors, patterns and finishes as demanded by the customer. Our products are exclusively designed and developed with the use of superior grade raw material and sophisticated machines. Our facilities and excellent team of professionals help us to design and offer custom-designed narrow fabrics to meet the specific requirements of varied industries. We manufacture our range as per the specifications detailed by our clients. Our excellent fabric weaving technology facilitates us in the development of best quality range of narrow fabrics. We have grown in leaps and bounds under the able guidance provided by our mentor Mr. Asan Varyani. With the help of his hard work and dedication we have established our presence on both the national and global arena. He is a visionary person and has immense knowledge in the production and marketing of narrow fabrics. We have been continuously expanding our facilities and product line through his innovative ideas and experience. We are exporting our products in Europe, Middle-East, Africa, America, and Australia.
