

Shivam Photovoltaic Private Limited

<https://www.indiamart.com/shivam-photovoltaics-private-limited/>

We “Shivam Photovoltaics Pvt. Ltd.” have gained success in the market by manufacturing a remarkable gamut of Solar Photovoltaic Modules, Solar Rooftop Systems, Solar Thermal Air Conditioners, Solar Pumping System, etc.

About Us

We “**Shivam Photovoltaics Pvt. Ltd.**” have gained success in the market by **manufacturing** a remarkable gamut of **Solar Photovoltaic Modules, Solar Rooftop Systems, Solar Thermal Air Conditioners, Solar Pumping System, Solar Street Light**, etc. We are a well-known and reliable company that is incorporated in the year **2011** at **Ahmedabad (Gujarat, India)** and developed a well functional and spacious infrastructural unit where we manufacture these solar products in an efficient manner. Along with this, we are also involved in offering best-in-class **Solar Installation Service** to our esteemed clients. We are a notable and prominent firm that is managed under the supervision of “**Mr. Chetan Kansara**” (**Director**) and have gained huge clientele in the market.

The business of Shivam Photovoltaics has covered R&D production and sales of solar products. The current yield capacity is 25 MW per annum. Our product range includes manufacturing solar modules ranging from 3 Wp to 300 Wp. Our panels are certified at both National and International level.

A conducive and accomplished team of experienced and qualified professionals have come together to form our production team. They have thorough knowledge about the steps involved in the manufacturing and processing of solar products. It facilitates the swift functioning of our production activities. On time delivery commitments are supported by our wide delivery...
