About Us

A dedicated freight forwarding and logistics partner to give your business a cutting edge Shivamshipways is a globally competitive, fast growing NVOCC, deploying best business practices towards providing a uniformly high level of service across all its locations. It provides a full service option for all your needs, from full container load (FCL) and less than container load (LCL). We offer a wide range of freight services. These services include: freight consolidation, negotiation of freight rates with shipping lines and airlines, ensuring correct pre-shipment and post-shipment documentation and vendor management with our offices in India, supported by our global network of business associates.
