

Shivam Trading Co.

<https://www.indiamart.com/shivamenterprises-agra/>

We have emerged as one of the famous organizations involved in manufacturing, exporting, supplying and trading of a best quality array of **Fresh Vegetables, Fresh Fruits, Cereals and Groceries.**

About Us

Incorporated in the year **2003**, we, **Shivam Enterprises**, are renowned manufacturer, supplier, exporter and trader of a vast assortment of **Fresh Fruits, Fresh Vegetables, Natural Cereals** and **Natural Groceries**. The offered products are cultivated under healthy and hygiene environment by the use of natural ingredients according to the set food business parameters. Provided products are accurately grown under the direction of our qualified and trained food experts making use of progressive technology and advanced machines. The presented range of products are extensively acknowledged and appreciated by our valuable clients for their exclusive features such as unique flavour, mouth watering taste, purity, freshness and long shelf life.

We have constructed a high-tech and superior infrastructure facility that is categorized into different departments such as manufacturing, quality control, warehousing, packaging, etc. In order to carry out our whole business process in an efficient way, our units work in close-ordination with each other. Our cultivation department is completely germ-free in order to avoid the bad effects of germs. These divided units are equipped with advanced machines & technologies that are managed by our experienced & skilled personnel. Our experienced professionals are employed after in-depth analysis of their proficiency & awareness in the relevant fields. Further, our team works in relationship with the clients...
